

MEXICO AGAIN IN THROES OF CIVIL WARFARE

[Associated Press by Fed. Wireless.] WASHINGTON, D. C., Nov. 8.—With actual hostilities taking place between the contending factions, the situation in Mexico is again becoming hopelessly complicated.

The work of the Aguas Calientes convention appears to have amounted to nothing. Carranza, maintaining that the convention had not authority to remove him from provisional presidency and to elect Eulalio Gutierrez to that office, has entirely repudiated his agreement to stand by the deliberations of the convention.

He has assumed control of the government at Mexico City, and despatched an army against Villa. Despatches from the border yesterday say that the town of Tehuacan was captured from a Carranza garrison by a force under command of Gen. Aguilar, a Villa supporter. Several hundred casualties are reported.

Carranza has refused to grant a general amnesty to all Mexicans who worked in conjunction with the American forces occupying Vera Cruz. He insists that all such cases must be treated on their individual merits. He announces as his reason for declining to grant this amnesty, that it would render immune from prosecution thousands of Huertistas and Cientificos who have borne arms against him and otherwise defied his government.

Word was received yesterday at the state department that American Consul Hamm at Durango had died of smallpox.

MARTA GOLDEN, COMEDienne, WILL PRESENT COLLAR TO M. G., THE CAT

On board the Matson Navigation Company's S. S. Manoa tomorrow morning a most unique ceremony, entitled "The Christening of the Cat," will be performed. As might be presumed this is no ordinary cat or there would be no ceremony attendant upon its christening—or rather rechristening, for this will be the second time this feline has been named "According to Hoyle" Marta Golden. As an addition to the christening there will be a presentation ceremony, Miss Golden, the comedienne for whom the cat has been named, having had made for it a beautifully engraved and jeweled collar, which will be placed around the pet's neck following the naming performance.

This particular cat, the pride of the chief engineer of the Manoa, is of the trick variety and her antics proved such a delight to Marta Golden during her voyage to the islands that the gallant officer decided to give the cat the name of its admirer. So pleased was Miss Golden that she immediately volunteered to present Marta Golden with the collar.

The initial christening ceremony occurred during the voyage to the islands, the wireless operator officiating.

It is expected there will be a good crowd on hand at tomorrow's ceremony, many of the Manoa's passengers having accepted invitations to the affair.

MEMORIAL IS PLANNED FOR MRS. WILSON

[Associated Press by Fed. Wireless.] ATLANTA, Ga., Nov. 8.—A nationwide appeal will probably be made for funds for a national memorial to Ellen Wilson, the late wife of the president. It is planned to have this memorial take the form of educational work, in which the 1st Mrs. Wilson was deeply interested, and to provide a means for the education of the youths in the mountain districts who are too poor to attend school.

Y. W. C. A. TO HOLD NOON MEETINGS PRAYER WEEK, IN BOSTON BLDG. ROOMS

The week of November 8 to 16 has been set aside as the week of prayer for the Young Women's Christian Association, the world around. The local association has decided to celebrate the week by having ten-minute noon meetings in its rooms in the Boston building, 12:30 to 12:40 o'clock Monday to Friday, inclusive. Well known women of the city will lead these meetings.

The association is also asking the people of the city to remember in their devotions the work of the Young Women's Christian Association in the following nations: Egypt, South Africa, Canada, United States, South America, China, India, Japan, Turkey in Asia, Australia, Austria, Denmark, Finland, France, Germany, Great Britain, Greece, Holland, Hungary, Italy, Norway, Portugal, Russia, Sweden, Switzerland, Belgium and Bulgaria. Practically half of these nations have been engaged in warfare during the past year. The membership of the Y. W. C. A. are bearing the woman's share of the strife, anxiety, hunger, bereavement, terrified waiting. There is before them in this week of prayer a very definite service to those of their membership whose need seems greater than ever before in the history of the association.

Burglars entered the National Bank at St. Louis, Quebec, and escaped with \$5000 in cash.

HEINZE'S ENTIRE FORTUNE GOES TO 2-YEAR-OLD SON

[Associated Press by Fed. Wireless.] NEW YORK, N. Y., Nov. 8.—The will of F. Augustus Heinze, the Montana copper king, leaves the entire fortune, estimated at \$1,500,000, to the two-year-old son of the deceased.

A New Yorker tells of his sojourn at a certain hotel in the Carolina mountains. At about 8 o'clock in the morning he was aroused from a sound slumber by a knocking on his door.

"What is it?" he shouted.

"Telegram for you, boss," replied the darky on the other side of the door.

"Will you open the door?"

The New Yorker was angered by this. "I will not!" he yelled back.

"Can't you slip it under the door?"

"No, boss," was the response, "it's on a tray."—Lippincott's.

DEPRESSED SUGAR MARKET DOES NOT GREATLY AFFECT PRICES OF SUGAR STOCKS

Sugar declined 0.13c since last weekly review of the stock and bond market, which, added to a decline of 0.81 in the previous week, made a drop of 0.94c for the past two weeks. Yet this depressing factor, together with the fact that for the period now under review there were only five days on which the exchange was open, has not reduced the amount of business nor lowered the range of prices, on the whole, as compared with last week's record. This would indicate that confidence in the future of Hawaii's main industry is still maintained.

Although for the week ended Friday the number of shares sold, 2625, was 240 less than the week before, the proceeds, \$38,447.50, are \$2190.87 1/2 greater. An absence of bonds from the market, however, makes the total proceeds \$28,205.12 1/2 less than the week before.

Two sugar and two miscellaneous stocks were dealt in, and five of the sugar gained, three declined and two held their own, while both of the miscellaneous list were steady. Details follow, showing high and low prices, with changes or otherwise, during the week:

Ewa Plantation Co., 150 shares for \$3162.50; high 21 1/4, low 20 3/4, decline 1 1/2.

Hawaiian Commercial & Sugar Co., 325 shares for \$9896.87 1/2; high 30 3/4, low 30, gain 3/4.

Hawaiian Pineapple Co., 20 shares for \$660; price 33, unchanged.

Hawaiian Sugar Co., 50 shares for \$1700; price 30, unchanged.

Henokaa Sugar Co., 55 shares for \$275; price 5, unchanged.

Honolulu Brewing & Malting Co., 35 shares for \$530; high 15, low 15 1/4, unchanged.

McBryde Sugar Co., 880 shares for \$1480; high 5 1/4, low 4 3/4, gain 1/4.

Oahu Sugar Co., 150 shares for \$32.87 1/2; high 19, low 18 1/4, gain 3/4.

Olaha Sugar Co., 735 shares for \$3.71; high 5 1/4, low 4 1/4, gain 1/4.

Onomea Sugar Co., 95 shares for \$2.85; price 30, decline 1 1/2.

Pioneer Mill Co., 50 shares for \$1150; price 23, decline 1 1/4.

Valuola Agricultural Co., 80 shares for \$7390; high 92 1/2, low 91 1/2, gain 1.
